30.11.2021-28.12.2021

Trainer: Prof. Yesim Isil Ulman, PhD.

Students: 6 Graduate Students at MSc and Doctoral Degree

Embassy of Good Science, Horizon 2020 The VIRT²UE Research Integrity Train the Trainer program provides participants with the knowledge and skills to conduct a research integrity course. Trainers are taught how to foster reflection on scientific virtues in researchers, and how to promote understanding of the European Code of Conduct for Research Integrity. This free training program is offered at different locations across Europe and worldwide. As a train-the-trainer program, VIRT²UE supports trainers and provides them with adaptable exercises and tools that can be used in their own teaching. Acibadem University School of Medicine, History of Medicine and Ethics Department supports this international research ethics programme and works in collaboration with the Embassy of Good Science and the VIRT²UE Programme. Dr. Yesim Isil Ulman and Dr. Ceren Ilikan Rasimoglu serve as trainers for volunteers at post-graduate level from multidisciplinary disciplines of health sciences, natural sciences and social sciences. https://embassy.science/wiki/Main_Page
